There will be ample time for discussion and debate over the course of the two days.

IBCI Conference 2017

The Irish Building Control Institute is pleased to present the IBCI Building Control Conference, 2017. The Conference will afford an opportunity for those involved in Building Control throughout Ireland to network with their colleagues and receive an update on current developments.

The Conference will be held over two days in the **Slieve Russell Hotel, Cavan**. Lunch and refreshments will be provided on both days, with the Conference Dinner on the Wednesday evening. A Trade Exhibition will also be held in conjunction with the Conference.

The focus with this Conference is on the changes in the Building Control System and the Building Regulations and developments in the past year.

Day 1 morning session will include an update on the Building Control legislation/Regulations and on the BCMS and Building Control Officers perspective.

After lunch the session will commence with short 5 min slots for the Trade Exhibitors (45 mins max) and the latest changes in the Building Regulations will be discussed.

After coffee, there is and a paper on Zero Energy Houses, followed by Questions and Soapbox

Day 2 commences with a double presentation on Air tightness for dwellings and after coffee concludes with a talk on quality control in cement and blockwork manufacture.

After lunch, Quinn Building Products offer tours of their facilities and delegates are asked to book their places on these very valuable tours at the Quinn Trade stand

IBCI CPD Certificates will be available.
