IBCI Conference 2019

The Irish Building Control Institute is pleased to present the IBCI Building Control Conference, 2019. The Conference will afford an opportunity for those involved in Building Control throughout Ireland to network with their colleagues and receive an update on current developments.

The Conference will be held over two days in the Lyrath Estate, Kilkenny. Lunch and refreshments will be provided on both days, with the Conference Dinner on the Wednesday evening. A Trade Exhibition will also be held in conjunction with the Conference.

The focus of this Conference is on the changes in the Building Control System and the Building Regulations and developments in the past year.

Day 1 morning session will include an update on the Building Control legislation/regulations, on the BCMP followed by Building Control Officers and Assigned Certifiers perspectives.

After lunch the session will commence with short 5 minute slots for the Trade Exhibitors (45 mins max). Next, we hear the latest on the Mica and Pyrites problems.

After coffee, Housing is dealt with in the Bringing back Homes initiative and also fire safety on floor joists. Day 1 concludes with questions and the Soapbox.

Day 2 commences with a double presentation on renewable technologies and heat pumps. After coffee break we have a paper on Part L outlining the role of building control and we conclude with a case study on fire prevention.

IBCI CPD Certificates will be available.
